“By The Sea” Arts & Seafood Festival

Mission Statement

The mission of the “By The Sea” Arts & Seafood Festival is to celebrate our marine-based lifestyle; to bring together gifted vendors and performers with local and visiting patrons; to provide consumers an ever-expanding opportunity to buy wholesome, local foods and hand crafted products at our authentic seaside fair and to foster a dynamic culture of personal growth and well being throughout our community.

The Festival seeks outside support for the festival and arts and hopes to create a sustainable market for our Rainforest Artists and Artisans.

Additionally, the festival seeks to promote fish enhancement so that tomorrow’s harvest will be as fine and plentiful as the benefit we enjoy today.
